Experience

Over 20 years of experience in the lighting industry. We are a full-service provider of lighting fixtures, energy efficient lighting, and lighting accessories to the Chicago and Midwest area

residential builders, electrical contractors, as well as residential and commercial management companies.

Brand Name, High-Quality Lighting Fixtures

We are a distributor of the most comprehensive selection of lighting fixtures and lighting accessories from some of the prominent manufacturers like: Progress Lighting, Sea Gull Lighting, Thomas Lighting, Kichler Lighting, Cooper Lighting, Bulbrite, Westinghouse and many others. We offer the latest designs, finishes and lighting options.

Energy Efficient Lighting Fixtures

We carry the most extensive offering of energy efficient lighting fixtures and lighting products, including Energy Star® which is the mark of quality for energy efficient, green friendly lighting products. On average, energy efficient lighting fixtures use 75% percent less energy than traditional fixtures without sacrificing design or performance. By saving energy, you save money and bulb replacement costs.

Low Price – High Value

We will meet or beat any price. As one of the largest distributors of lighting in the Midwest, we buy and inventory in large volumes passing that buying power to you by offering you unbeatable pricing, value and service.

Customer Service

Our commitment to excellence in customer service sets us apart. With our dedicated customer service team you can be assured of the quality service you need, including support in the field. We take pride in our customer service support and our highly skilled staff.

Stocked Warehouse

Our warehouse is well stocked with the most popular lighting products, which ensures that we can deliver the fixtures to you quickly and efficiently.

Delivery Fleet/Shipping

We own our own fleet of trucks for timely, quick and professional delivery to job sites within Chicago and surrounding area. For shipments outside of the Midwest, we select the least cost/most reliable options.

Fully Assembled Packages

We assemble all fixture packages (including bulbs) to enable quick and cost-efficient installation at a specific home site.

Project Software

Our fully customized order entry system is designed to track all fixture packages and orders, including upgrades and/or specific units.

Our mission: *We take pride in our dedication and professionalism to support the lighting needs of residential builders, electrical contractors, commercial and industrial properties, and residential management companies at the best price possible. With our team of professionals you will be assured of our experience and quality of service. **COME AND EXPERIENCE BUILDERS LIGHTING & DESIGN, INC.***
